We received a Notice of Abandonment for the referenced application. Please note that we mailed a response to the Missing Parts on October 30, 2001. This was during the time of the "Anthrax" outbreak, so it is possible the package was somehow misplaced in the Patent Office. The Assignment accompanied the missing parts response and we have received a Recorded Assignment from the PTO. I will call you Monday to follow up on this matter. Thank you for your time.
